SHS welcomes International students and provides support to them in a variety of ways. The ESL program includes: ESL classes, counseling and regular curriculum English courses specifically for ESL learners. Extra tutoring is available through a tutor coordinator who matches the student's needs with available tutors. The Guidance and Counseling department can also assist international students with applications to post-secondary schools.

Integration of international students with Canadian students is supported in a variety of ways throughout the school year. Special events focusing on the international program include an International Recognition week. Flags of the visiting students are flown within the school and there is a map with their pictures linked to their home cities. Strathmore High recognizes various achievements of students through the Breakfast of Champions program, Recognition letters, as well as the Merit Board and Honor Roll for academic achievements.
