

## About the school:

Clonkeen College is a Christian Brothers secondary school for boys in south Dublin, which opened in 1970. Clonkeen College has approximately 550 students and 35 teaching staff. The school has strong links with charities and the developing world. Clonkeen underwent significant development between the years 2015 – 2018.

## Aims and Philosophy

Clonkeen College seeks:

- to promote Christian Values in the pupils' life and work;
- to develop the varied talents of each individual;
- to promote academic excellence;
- to provide a disciplined atmosphere in which learning may prosper;
- to provide a healthy social environment;
- to guide and counsel each student in his preparation for a career and role in life;
- to retain the positive aspects of a traditional Christian Brothers' education.
