

## About the school:

Franciscan College Gormanston is a co-educational, voluntary Catholic school within the free education scheme. The College is situated in East Meath and is approximately 32 Kilometres north of Dublin City. Small average size classes allow for excellent teaching and learning. It offers a high standard of teaching and learning, excellent facilities and a school structure designed to provide students with the opportunities to achieve the very best that they can be. The College Mission statement aims to create accountable and principled students in the Ireland of today and the wider world.
