

About the school:

Manor House is a Catholic Voluntary Secondary School for girls founded by the Poor Servants of the Mother of God (SMG). No matter what area the SMG work in they aim to respect the dignity and uniqueness of every individual. The school reflects this aim by trying to create an environment that demonstrates a concern for the welfare and good of others. We do our best to provide all our students with an academic programme appropriate to their needs within a caring and supportive environment.

Manor House has a six-year cycle, which includes a compulsory Transition Year. It provides a broad range of traditional academic subjects to Leaving Certificate Higher Level and also offers a comprehensive programme of general education, an excellent pastoral care system in addition to a wide range of extra-curricular and sporting activities.
