

About the school:

St. Colmcille's is a community school. St Colmcille's is a co-educational, 2nd level school established in the year 2000 on a greenfield site on the Scholars-town Road in the heart of Knocklyon. The vision of this community in seeking a 2nd level school was to retain its most valuable asset, its young people, in the local area.

They aim to provide a broad and balanced curriculum so that all our students have the opportunity to succeed at the highest level of their own individual talents, aptitudes and abilities. They strongly encourage students and parents to become involved in the social, cultural, spiritual, intellectual and sporting life of the school.

St Colmcille's CS is a safe and caring environment where students are valued and encouraged in all their efforts.
