

Copperfield College

Copperfield College is a culturally diverse school. Its modern facilities span two Years 7-10 campuses and one Years 11-12 campus where students may access all Victorian Certificate of Education studies. The stimulating senior campus environment helps students achieve high results and gain university entry. Accelerated learning opportunities and the extra support of English as an Additional Language classes encourage students to excel. A leadership program gives all students the chance to develop personal leadership skills.
