

# Mornington Secondary College

Mornington Secondary College provides an inspirational learning environment. Located on Mornington Peninsula's picturesque natural coastline, the college offers outstanding facilities and resources. Expansive grounds provide a setting for sports, performing arts and recreational facilities. Specialist classrooms and up-to-date computer equipment also feature. The school promotes a strong work ethic in supporting students to reach study goals. Blending academic rigour, initiative and self discipline is integral to the culture that supports each student's path to success.

## Success story

'Studying at MSC is fun! Teachers are very knowledgeable and are able to simplify teaching to help me understand the lesson well. They give so much effort to take a personal interest in helping me with my school work. I loved the atmosphere in the school and the way the school offered a lot of activities which made learning fun.'

– Anne Orbon – Philippines
