

Northcote High School

Northcote High School is set in generous grounds, 2 kilometres north of Melbourne CBD. The school was established 85 years ago and supports students to achieve outstanding academic results. Highly qualified and experienced staff teach a wide subject curriculum. Sciences, mathematics, commerce, humanities, technology and the arts studies are all offered. The international program is a valued part of the co-educational school's culturally diverse learning community. Northcote High School is nearby universities and tertiary institutions.

Success story

'I fell in love with the dark red colour of the school buildings on my first school day. Red colour makes me feel warm. I then quickly found out that all the teachers and classmates have warm hearts too. This is a very happy and exciting school and I enjoy every minute here.'

– Year 11 student from China
