Success story

'Since the first day I started I knew I was lucky to be at Wellington Secondary College. The students worked hard; the environment for learning new skills and knowledge was inspiring; classmates were friendly in and out of the classroom. I was made to feel accepted in this totally new environment.'

– Mengdi Mandy Li – China – Bachelor of Commerce, University of Melbourne; currently studying her Masters at Oxford University, London

Awards

- Australian Mathematics Competition – high distinctions annually
- Monash University Scholarships awarded each year to Year 12 students
