

Special Interest Programs in South Australian government schools

When a student chooses to study abroad with South Australian Government Schools, they have the option of requesting a school based on their own interests and ambitions which will help to make their experience even more enjoyable and rewarding.

Some high schools offer more specialised programs called Special Interest Programs. These programs are usually a strong focus area of the school and a selection process and/or audition may apply to students wishing to enrol.

The schools listed below have a Special Interest Program or strong focus area in the following disciplines:

Arts

Art

- [Charles Campbell College](#)
